

Directions to The Mirfield Centre

The Mirfield Centre
Stocksbank Road
Mirfield, West Yorkshire
WF14 0BW

By Car

The easiest way to get to the College is to come off the M62 at junction 25. Follow the signs towards Mirfield. You'll invariably come to a queue of traffic at Cooper Bridge Roundabout. Fork left and follow the signs towards Leeds. Take the first right after the Little Chef (Stocks Bank Road - Signed to Battyeford and CR House). We're about a mile down this road on your right.

By Train or Bus

The nearest station is Mirfield which is a mile from the college. Leaving the station, walk uphill on Station Road toward Mirfield town centre. Turn left onto Huddersfield Road, the first traffic light. Walk approximately 1/2 mile to Stocksbank road which branches off to the right. Continue uphill and the College will be on your left.

Express trains do not stop at Mirfield but you can get connecting services from Leeds, Wakefield Westgate and Huddersfield. It is also possible to get local buses from Leeds and Huddersfield.

From Huddersfield station, turn left out of the station, cross the main road at the traffic lights, and catch bus numbers 201, 202, 203. Ask for the stop near to Nab lane. The journey takes about 30 minutes.

From Leeds station, turn left out of the station and at the traffic lights, turn right, walk about 200 yards, cross the road to the Swinegate Bus stop under the Railway Bridge. Bus numbers 201, 202, 203 pass our door. This journey takes approximately 1 hour 30 minutes.

From Wakefield station, turn right out of the station and then left into Westgate, walk about 350 yards, heading towards the Bull Ring, straight across the road at the traffic lights into Union Street where the bus station is situated. Bus No 253 takes you past the College. The journey would normally take about an hour.

Directions taken from www.mirfieldcentre.org.uk.

Please note that these directions are correct to the best knowledge of BRF. We advise that you allow extra travel time in case you get lost or in case of traffic. If available to you, use an online route planner such as AA.com or Google, as these will provide comprehensive directions from your chosen starting point to the event destination, or a street map.
